Dear Honors Chorus Parents,

I am very happy to have your child as a member of Honors Chorus, and I am excited about the potential of this year's group! One of our first needs is ordering our outfits for the year. **The cost of the dress we are ordering is \$68.00. The guys will wear black tuxedo pants, white tuxedo shirts, cummerbunds and bow ties. I am itemizing their costs below because you may already own some of these items:**

Tuxedo Pants	\$25.00	Wing Collar Tuxedo Shirt	\$14.00
Black Bow Tie	\$3.00	Black Cummerbund	\$8.00
Total if purchasing all four items \$50.00			

I have several outfit items that I could offer students at half price (\$34 for the girls and half price per item for the boys). The sizes I currently have available are as follows:

Dresses
Youth - 8, 12, 14
Adult - 0, 2, 4, 6, 10, 12, 14, 28

Tux Shirts	Tux Pants (Tux pants are adjustable by 1 inch)
Men's S 30-31 sleeve	24 Waist Boy's
	31 Waist Men's Regular (2)

If you see that I have your size available in used, it would benefit you to take advantage of the offer. All of the new dresses and slacks are delivered unhemmed, so with our "gently used" clothing you could avoid additional tailoring costs. I'll allot these on a first come, first serve basis, so let me know immediately if you are interested. For new and used outfits, you will need to make your check payable to Ligon Arts Boosters. The due date for the first payment of \$34.00 is Friday, September 1st. (For those of you who are buying new, feel free to submit the total payment if you wish.) The second payment will be due on Thursday, September 28th. I will also need your child's measurements recorded on the form below by September 1st. If you are unsure of how to measure, I will be happy to take the measurements for you. Please let me know if it would be a hardship for you to make these payments. LAB often helps us out when we run into difficulties. Thank-you so much for your cooperation. I think you'll be very pleased with our appearance and sound this year!

Sincerely,
Melody Moore
